Connect

Over 40,000 policyholders served.

Agencies save an average of $200K+ a year. All in one platform.

Works with Applied Epic

Work smarter. Serve clients better. Grow with confidence: Call 301.678.9995 Visit insuranceconnect.ai

AI-POWERED AGENCY CAPACITY

Supercharge your AMS with Insurance Connect.

Transforms your Agency Management System (AMS) into a robust all-in-one back office tool powered with AI. Insurance Connect brings your agency's workflows, data, communication, and intelligence together — so your team can **focus on what matters most**. **Your clients.**

AGENCY LEADERS
Grow your agency without scaling your overhead.

OPERATIONS & SALES
Remove bottlenecks and streamline workflows.

CSRs & ACCOUNT MANAGERS
Spend less time on busywork by routine automation.

IT TEAM & SUPPORT
Add AI without replacing your core systems.

HR & FINANCE
Turn productivity into measurable business value.

BUILT FOR YOUR EVERYDAY WORK

Put your agency workflows on autopilot. Stay in control.

Insurance Connect brings your agency's workflows, data, communications, and intelligence together — so **work gets done faster** and with **less manual effort**.

STREAMLINE OPERATIONS
Renewals · Late payments · Inboxes · ACORD forms · Carrier updates

UNDERSTAND YOUR BUSINESS
Custom reports · Business insights · Policy comparison · Sentiment analysis

STAY CONNECTED
Inbound & outbound calls · Texts · Emails · Notifications · Contact management

SIMPLIFY WORKFLOWS
Intelligent routing · Workflow orchestration · Real-time agency data
